q&a!!!

● Where is the program located?

The program is based at the Universidad Espiritu Santo in the city of Guayaquil, Ecuador. Possibly the most diverse and undoubtedly one of the most beautiful countries in the world, Ecuador offers unspoiled coastline, snow-capped mountains, indigenous cultures, colonial architecture, and the planet's two greatest natural wonders: the Amazon Rainforest and the Galapagos Islands.

Guayaquil is Ecuador's largest city – with a population of over 2.5 million – and commercial hub. However, like other Latin American mega-cities, it suffers social problems that provide opportunities for students interested in service and in learning about the realities of urban life in the tropics.

The Universidad Espiritu Santo – located in the district of Samborondón – is ranked as one of the country's top universities. UEES' modern campus has a sports complex and pool, fleet of buses, doctor's surgery, music and TV studios, and a student-run restaurant. We also have iguanas wandering around the main plaza.

● Where will I stay?

Participants live with an Ecuadorian host family. Life with a host family provides students with a rich intercultural experience, language practice, and 3 meals a day.

● What will I study?

Students take up to 6 credits: 3 credits of intensive Spanish language, and 3 credits for the service learning placement. The academic component of the placement includes a weekly journal, attendance at a weekly Cultural Seminar, and a final reflection paper. Students are issued with an international transcript in English at the end of the program.

● Where will I serve?

Students are placed in a variety of community organisations that work at addressing the pressing social needs in Guayaquil, such as health, nutrition, education, shelter and housing, and environmental protection, or working with the physically and mentally disabled, street children, and other marginalized members of society. Students are placed according to their skill set and Spanish language level.

● What about travel arrangements?

We can assist with further travel, such as trips to the Galápagos Islands and Amazon Rainforest, along with hotel reservations in Quito before the program begins.

experience. In my time in South
America, I made many friends.

make me wish I was back.
As all travelers say,
