MINOR/MENCION

**SKILLS FOR INTERNATIONAL HUMAN
RESOURCES MANAGEMENT**

(18 credits)

This Minor provides in-depth analysis of specific work situations and offers special tools and strategies for a variety of settings. No matter what your field of specialization in the professional and business world, you will learn useful techniques for positive human relations in the workplace, for managing human resources as well as for small business entrepreneurs. Whether you work in a large corporation, own a small- or medium-size business, or run a non-profit organization, competing in a global economy requires practical strategies in human resource performance management.
